

Voyage Typeface

Voyage

Voyage was designed in 2019 in Paris by Jérémy Schneider. Romantic and curvy, like a roadtrip should be, Voyage is very seductive. Voyage is a display typeface, useful for headlines, or short to medium lengths texts. From the adventurous eye of the lowercase 'e' to the curly 'h', Voyage features delicate hairlines for maximum contrasts. We designed 55 stylistic ligatures, 26 variants, which are open-type programmed, the user decides which glyph to alternate. We love travelling, forgetting Paris sometimes and embracing ideas all around the world. Bon Voyage.
